

OF SPECIAL INTEREST

To Hay Fever Sufferers.

Sufferers from hay fever and summer catarrh will be interested to learn that there is a new, simple, inexpensive but effective home treatment for this obstinate and baffling disease, and that a little bottle fully describing the treatment will be mailed free to any one by addressing the F. A. Stuart Co., Marshall, Mich.

Doubtless this statement of a cure and positive preventive of hay fever will be received with skepticism by the thousands who have found the only relief every year was a change of climate during the summer months.

But whether skeptical or not it will cost nothing to investigate this new treatment. Simply send name and address on a postal card to F. A. Stuart Co., Marshall, Mich., for the booklet, which besides describing the treatment contains a concise treatise on the cause and character of this peculiar disease.

HUMAN TARGETS FOR MADMAN'S BULLETS.

One Man Killed and Five Wounded by an Insane Man at Leavenworth.

SLAYER KILLED BY POLICE.

Crazy Man's Fancied Wrongs Cause Two Deaths—An Exciting Battle Between Police and Murderer.

Leavenworth, Kas., July 24.—Michael Kelly, an insane man, today, at the office of the Robert Garrett Lumber Company in the business district, shot six people, killing one, probably fatally wounding another, and more or less seriously wounding four others. He was himself finally killed by officers, who tried to overpower him.

The Victims:

John R. Garrett, aged 40 years, junior member of the firm of Robert Garrett Lumber Company; died at hospital.

Michael Kelly, aged 50; died after being taken to police station.

Doctor Charles McGee, aged 30; shot in leg; died at hospital.

Police Sergeant William Dodge; shot in neck; wound serious.

Michael McDonald, detective; shot in leg; wound slight.

Joseph Faltzinger, policeman; shot in hand; wound slight.

Politics Wrecked His Mind.

Kelly lived in Leavenworth for years and at different times had engaged in minor business enterprises. He was eccentric and during the presidential campaign in 1896 lost his mind entirely.

At that time he was arrested for creating disturbance and later threatened to kill Garrett. He was released, and was again arrested, and later threatened to kill Garrett. He was released, and was again arrested, and later threatened to kill Garrett.

After a year in the Topeka asylum, Kelly was released. He had been acting queerly again and had threatened to kill the five men who sent him to the asylum.

Daily for two weeks past he has been pleading insanity with certain local officials in the Southwest, action was deferred pending result of efforts to overcome the local objection.
